The Board of Supervisory Directors (the “Board”) of Frank’s International N.V. (the “Company”) has established the Nominating & Governance Committee of the Board (the “Committee”) with authority, responsibility and specific duties as described in this Nominating & Governance Committee Charter (this “Charter”).

I. Purposes

The purposes of the Committee are to:

- A. Advise the Board and make recommendations regarding appropriate corporate governance practices and assist the Board in implementing those practices;
- B. Assist the Board by identifying individuals qualified to become members of the Board and the Board of Managing Directors of the Company (the “Management Board”), consistent with the criteria approved of by the Board, and recommending director nominees to the Board for election at the annual meetings of stockholders or for appointment to fill vacancies on the Board and the Management Board;
- C. Advise the Board regarding the appropriate composition of the Board and its committees, as well as the Management Board;
- D. Review corporate governance guidelines annually and confirm or amend as required to maintain best practices;
- E. Lead the Board in the annual performance evaluation of the Board and its committees, as well as the Management Board;
- F. Direct all matters relating to the succession of the Company’s Chief Executive Officer (“CEO”); and
- G. Perform such other functions as the Board may assign to the Committee from time to time.

II. Membership

The Committee must consist of not less than three members of the Board. Notwithstanding the foregoing membership requirement, no action of the Committee will be invalid by reason of any such requirement not being met at the time such action is taken.

The members of the Committee and its Chairman will be selected annually by the Board, based on the recommendation of the Committee, and will serve at the pleasure of the Board. Any vacancy

on the Committee will be filled by, and any member of the Committee may be removed with or without cause by, an affirmative vote of a majority of the Board. If a Chairman is not designated by the Board or present at a meeting, the Committee may designate a Chairman by majority vote of the Committee members then in office.

III. Authority and Responsibilities

The Committee is delegated all authority of the Board as may be required or advisable to fulfill the purposes of the Committee. Without limiting the generality of the preceding statements, the Committee has the authority, and is entrusted with the responsibility, to take the following actions:

A. Authority

The Committee has the authority to:

1. Conduct or authorize investigations into any matter within the scope of the responsibilities delegated to the Committee as it deems appropriate, including the authority to request any officer, employee or advisor of the Company to meet with the Committee or any advisors engaged by the Committee.
2. Retain and determine funding for independent legal counsel and other experts and advisors, including the sole authority to retain, approve the fees payable to, amend the engagement with, and terminate any search firm to assist the Committee in identifying director candidates, as it deems necessary or appropriate to fulfill its responsibilities. The Committee may also utilize the services of the Company's regular outside legal counsel or other advisors to the Company. The Company must provide for appropriate funding, as determined by the Committee, for payment of (a) compensation to any advisors employed by the Committee; and (b) ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.
3. Delegate to its Chairman, any one of its members or any subcommittee it may form, the responsibility and authority for any particular matter, as it deems appropriate from time to time under the circumstances. However, subcommittees do not have the authority to engage independent legal counsel and other experts and advisors unless expressly granted such authority by the Committee. Each subcommittee will keep minutes and regularly report to the Committee.

B. ***Responsibilities***

The Committee has the following responsibilities:

Corporate Governance

1. The Committee will periodically assess the need for changes to the Company's stock ownership guidelines and recommend any proposed changes to the Board for approval.

Director Nominations

Except where the Company is legally required by contract or otherwise to provide third parties with the ability to nominate directors, the Committee will perform the following actions:

2. Identify individuals qualified to become members of the Board and the Management Board, consistent with the criteria approved by the Board, and recommend to the Board the persons to be nominated by the Board for election as directors at the annual meeting of stockholders, and the persons to be elected by the Board to fill any vacancies on the Board and the Management Board.
3. The Committee will treat recommendations for directors that are received from the Company's stockholders equally with recommendations received from any other source; *provided, however*, that in order for such stockholder recommendations to be considered, the recommendations must comply with the procedures outlined in the Company's proxy statement for its annual meeting of stockholders.
4. The Committee will actively seek individuals qualified to become members of the Board and the Management Board for recommendation to the Board. The Board believes that an important component of a Board and a Management Board is diversity including not only background, skills, experience and/or expertise, but also gender, race and/or culture. In identifying the most qualified individuals as candidates for membership to the Board and the Management Board, the Committee will also seek to attain diversity in the composition of the Board and the Management Board. Any search firms retained to assist the Committee will be specifically advised to seek to include qualified, diverse candidates from traditional and nontraditional environments, including women and minorities.
5. At least annually, the Committee will review the criteria for the nomination of director candidates and approve changes to the criteria, as appropriate.

Director Independence

Each year, the Committee will:

6. Review the relationships between the Company and each director and report the results of its review to the Board, which will then determine which directors satisfy the applicable independence standards; and
7. Determine whether or not each director serving on a Board committee is independent, disinterested, a non-employee director or an outside director under the standards applicable to the committees on which such director is serving or may serve and report the results of its review to the Board, which will then determine which directors, if any, qualify as independent, disinterested, non-employee or outside directors under applicable standards.

Each year, the Committee will:

8. Review the advisability or need for any changes in the number and composition of the Board and the Management Board;

13. Consult with the Board and CEO on other senior management succession planning.

Other Powers and Responsibilities

Each year, the Committee will:

14. Direct management to develop and evaluate an orientation program for new directors and a continuing education program for current directors, and present a report to the Board and make appropriate recommendations for final Board action regarding this program;
