**Last reviewed and affirmed on April 29, 2019)**

**I. Statement of Principles**

The Supervisory Board of Directors (the "Supervisory Board") of Frank's International N.V. (the "Company") recognizes that related person transactions present a heightened risk of conflicts of interest and, therefore, has adopted this Related Persons Transactions Policy (this "Policy"), which should be followed in connection with all related person transactions involving the Company.

**II. Definitions**

- The aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year;
- The Company is a participant; and
- Any Related Person has or will have a direct or indirect interest (other than solely as a result of being a supervisory director or a less than 10% beneficial owner of another entity).

### **III. Approval Procedures**

A supervisory director should not participate in any discussion or approval of an Interested Transaction for which he or she is a Related Person, except that the supervisory director should provide all material information concerning the Interested Transaction to the Supervisory Board.

Prior to entering into an Interested Transaction, the disinterested members of the Supervisory Board should review the material facts of the Interested Transaction and either approve or disapprove of the entry into the Interested Transaction, subject to the exceptions described below. In determining whether to approve an Interested Transaction, the disinterested members of the Supervisory Board will take into account, among other factors it deems appropriate, (1) whether the Interested Transaction is on terms no less favorable than terms generally available to an unaffiliated third-party under the same or similar circumstances, (2) the extent of the Related Person's interest in the transaction (3) whether the Interested Transaction is material to the Company, (4) the purpose and rationale of the Interested Transaction, and (5) whether a competitive bid process was used, to the extent market alternatives were available.

The Supervisory Board has reviewed the Interested Transactions described below in Section IV and determined that each of the Interested Transactions described therein should be deemed to be pre-approved or ratified (as applicable) by the Supervisory Board under the terms of this Policy. In addition, the Supervisory Board has delegated to the Lead Supervisory Director (or the Non-Executive Chairman of the Supervisory Board, as applicable) the authority to pre-approve or ratify (as applicable) any Interested Transaction with a Related Person in which the aggregate amount involved is expected to be less than \$120,000. In connection with each regularly scheduled meeting of the Supervisory Board, a summary of each new Interested Transaction deemed pre-approved under Section IV below and each new Interested Transaction pre-approved by the Chairman in accordance with this paragraph should be provided to the Supervisory Board for its review.

If an Interested Transaction will be ongoing, the Supervisory Board may establish guidelines for the Company's management team to follow in its ongoing dealings with the Related Person. Thereafter, the Supervisory Board, periodically should review and assess ongoing relationships with the Related Person to confirm that they are in compliance with the Supervisory Board's guidelines and that the Interested Transaction remains appropriate.
